When Admin Logs into his account and views his User's WABA Charges-

The screenshot shows a user interface for managing credits and charges. At the top, there are navigation tabs: ACCOUNTS, SERVICES, CREDITS (which is highlighted in orange), and SETTINGS. Below these, a dropdown menu shows 'WhatsApp' selected. A section displays 'Credits Available (INR) 0'. On the right, there are buttons for Credit, WABA Charges (which is highlighted in orange), and Ledger. A dropdown for 'Add Country' shows 'India x'. The main content area has a table with columns: COUNTRY, MARKETING (₹), UTILITY (₹), AUTHENTICATION (₹), SERVICE (₹), CHARGES, LOCK TYPE STATUS, and ACTION. One row is shown for 'India' with values: 0.7946, 0.1250, 0.1250, 0.3006, and a gear icon under CHARGES. The ACTION column shows 'Unblock' and edit/cancel icons. Red annotations include: a red circle around 'Admin' in the top right; another red circle around 'Admin's User' with the email 'Green Tree green@pbird.com'; a red arrow pointing from the 'MARKETING (₹)' column to the text 'The rates displayed here will be that of Admin's'; and a red circle around the 'CHARGES' column header with an arrow pointing to the text 'Admin can edit platform charges for his user'.
